YOUTH!**

Youth across the Council have come together to plan our Council's Youth Rally! The Rally will be in the form of a Youth Splash! The event will take place on **June 30, 2018** from 3pm - 6pm at the Webster Manse on Manse Rd.

The theme for the Youth Splash is **"United with Differences"**. The theme highlights the context of our Council, all of our Congregations has its own unique style and culture, however, we are still "united" as one Church! Our youth will celebrate unity at the youth splash as we come together and fellowship together. Yes, ALL! This event is not only for youth, but for the whole church family to enjoy!

Seeing that this event is a Splash, water will be involved in many of the activities, so youth are asked to bring a towel and change of clothes with them, because they will get wet!

Water is the element that brings the activities and the spiritual component of the Splash together. Similar to how water or the sea connects and unites the different countries and continents around the world. **Stay tuned for more information about the Youth Splash in next week's update!**
