Participants started the Leadership Development Trainings in February 2018

Leadership Training Recipients Awarded

After months of early Saturday mornings, challenging and educational discussions about the United Church, the recent participants of the 2018 Leadership Development Training programme received their certificates of completion.

On Sunday, June 24, 2018 during the worship service at the Elmslie Memorial United Church, eleven (11) participants from the Leadership Development Training Programme, received their Certificates. The nine (9) Units were conducted between February 10, 2018 to June 23, 2018. The Unit on Worship, held on May 12, 2018, was the most attended workshop for 2018, with a total forty-seven (47) persons in attendance.

On Saturday June 23, the Unit on the Sacraments was attended by sixteen (16) persons. The eleven (11) participants who received their certificates attended all or most of the Units which included the History, Polity and Ethos of the United Church, Discipleship and Stewardship, Role and Responsibility of Elders, the Bible and the Call to Serve as well as the Spirituality of the Elder/Leader. We congratulate the participants for their dedication and desire to learn more about our Church and the Christian faith.

"The vision of the Council is for as many persons as possible to be exposed to training, which will improve their knowledge of God, Christ and the Church. This training must also make us aware of our mission as Christians, especially in today's realities. Essentially, we are committed to touching lives, nurturing disciples, and seeking transformation through Christ."

- Rev. Dr. Yvette Noble Bloomfield (RDGS)

CAMP LEADERS TAKE CHILD PROTECTION SERIOUSLY!

June 18 - UCJCI Child Protection Policy Training with Rev. Yvette Noble Bloomfield

June 23 - Child Protection Training with Ms. Brenda Dawkins

As our Camp Leaders continue to prepare for our Council's Summer Camps beginning next week Saturday, on Monday, June 18 they gathered at the Council Office to go through the UCJCI Child Protection Policy training with the RDGS Rev. Dr. Yvette Noble Bloomfield. Camp Leaders learned about the policy of church and about the boundaries and the importance ways to ensure the campers are protected at all time during their time at the Prospect Youth Centre or on different outings. Leaders were also told about important aspects of the Cayman Islands Children's Law.

On Saturday, June 23, Camp Leaders gathered at the Savannah United Church Hall to look at the different statistics regarding children in the Cayman Islands and the various abusive situations they live in or deal with. Ms. Brenda Dawkins (from the Family Resource Centre) guided the Leaders through different scenarios and gave tips how to handle children safely and with boundaries whenever the situation is physical or emotional.

The important advice taken away from both trainings was that these policies and guidance tips are not only to protect the children/campers but protect the leaders as well.

UCJCI MEMBERS GRADUATE WITH CERTIFICATE IN THEOLOGICAL LEADERSHIP

Sunday, the 24th of June, the Centre for Theological Leadership Training (CTLT) held its graduation ceremony at the Church of God of Prophecy (known as Victory Tabernacle Church). Our Council celebrates with two of our members, Mrs. Donna Miller (William Pouchie Memorial United Church), and Mrs. Yolanda Whittaker (Savannah United Church), who were a part of the graduating class. We congratulate them for successful endeavours.
